## Week One Review

This week we started to get to know our new counselor and participant friends! In the Survivor Program, working well with others will be key to complete our challenges and games, so we focused on *teambuilding* as our first topic. Teambuilding is also very important in the classroom and at home with your family. Ask your child about what they learned in the Human Knot, trusting their friends in the Trust Circle, and working together to cross the lava pit in Mission: Impossible.

## Goal for the Week

Ask your child to practice their teambuilding skills by working with them to cook dinner, complete home chores, or by playing a team-based game together!

## Meet Your Counselors!

Jarrold Blundy – President  
Jessica Leal – Vice President  
Nikita Lesperance – Fundraising Chair  
Brooke Friesen  
Becky DeSanto – SGA Representative  
Ryan Dinehart – Recreation Chair  
Courtney Carlson – Treasurer

## Pick-up Procedures

In order to ensure your child's safety, we ask that you check him/her out with the counselors at 5:30pm by picking them up at the northeastern door directly next to the basketball courts. Participants who are going home with different parents, or who are walking home, need to bring a signed note to indicate the change in plans. In case of inclement weather, you'll find us just inside that door!
